**FEEL THE
MAGIC**

The incredible
DIAMOND JIM TYLER

Diamond Jim Tyler's love for entertaining started at a young age and he has been performing magic since he was in high school. From there, he put himself through college performing at private parties and corporate events. Diamond Jim's close-up magic show has been awarded by the **Texas Association of Magicians** and the **International Brotherhood of Magicians**. And his act has also been featured at the **Improv**, **The Magic Circle** in London, and the prestigious **Magic Castle** in Hollywood on numerous occasions. Today, Jim performs, writes, gives private lessons and group lectures all over the world.

"I have been blessed with a talent that amuses and amazes people. I have a lifetime of experience under my belt and yet I continually strive to make myself and my act better than the day before. The artist in me has always loved magic and I know that it shows each time I perform. Plus, I figure God is watching us so I

might as well be entertaining!"—Diamond Jim Tyler
